Bilateral Meetings

- Tuesday 15:00 - 18:00

Description

QSS was established in 1997, and it has been experiencing continuous growth and development ever since. Today, we stand as the leading IT company for Cloud, Software Development and System Integrations in Bosnia and Herzegovina and Southeastern Europe. Our leading position was secured through the strong, long-term partnerships with some of the global leaders in the field: Adobe, Check Point, Cisco HP, IBM, Microsoft, Oracle, RedHat, Symantec, Veeam, Veritas, VMware etc.
