## Bilateral Meetings

- Tuesday 15:00 - 18:00

### Description

FAGUS group is one of the largest producers based in South East Europe. FAGUS owns 8 different companies which are manufacturing different products; from half-edged boards in soft and hardwood to windows, doors and pellet as final products. Annually we do process more than 100.000m<sup>3</sup> of different species of wood, and range of products is getting bigger day by day.
