Bilateral Meetings

- Tuesday 15:00 - 18:00

Description

FAGUS group is one of the largest producers based in South East Europe. FAGUS owns 8 different companies which are manufacturing different products; from half-edged boards in soft and hardwood to windows, doors and pellet as final products. Annually we do process more than 100.000m³ of different species of wood, and range of products is getting bigger day by day. www.silvatika.biz - Hardwood sawn timber and semi-final products www.abisrs.biz - Softwood sawn timber and semi-final products www.nomar.biz - Softwood sawn timber and semi-final products www.vrbanjasume.biz - Firewood www.arboreko.biz - Wood pellets and briquettes www.fagushaus.biz - Windows and doors
