Description

LUX Business Bar is the first business bar in the region. LUX is a recognizable and desirable location for rest, refreshment, and entertainment, both for residents of distant settlements, which periodically come to industrial zones as well as for numerous tourists visiting the city.

LUX is conceived as a business bar that would adapt to all seasons through a wide range of drinks, offering a pleasant ambiance with a combination of modern interior and exterior design, with natural plants, where the visitors could enjoy a social gathering and a pleasant ambiance.

We are going to be the only Business Club in the region of Herzegovina by providing and promoting the services of our partners through our business community with new IT technology and marketing solutions.

Our solutions are different than others because we are researching the best feasible solutions to reach out to the potential customers for our business community.

Constantly learning and market research makes us unique in the market development of gastronomy, its services and community building.
