<http://www.fic.ba>

Bilateral Meetings

- Tuesday 15:00 - 18:00

Description

Foreign Investors Council (FIC) is a major non-profit business association, representing the interests of foreign and domestic businesses in BiH. The FIC was established in August 2006. FIC members come from different sectors: metal industry, mining, construction, legal and financial services, oil & energy, trade, banking, telecommunications, food and beverage production, and many others. The FIC provides its members with expert knowledge in a number of areas including labor market and employment, taxes and customs, corporate law, economics and macro analysis, rule of law, public - private partnership and concessions, export and trade policy, shadow economy, ICT industry, education. Other important areas of expertise include, education and training, related to issues concerning lower levels of government - municipalities and cities, such as the obtaining construction and utility permits, environmental permits, permits from the energy sector, energy efficiency, etc. Basic Facts: □ 70 major international and regional companies □ FIC members employ over 20.000 BiH citizens □ FIC members invested over EUR 4,5 billion in BiH
