The village is 700 m above sea level surrounded by hundred years old oak, pine tree and fir forest. Nature lovers and all of those who have health problems with heart and lungs benefit from pure air and ideal conditions. On the property there are 6 rooms where we can accommodate up to 20 people plus family home of 100 square meters (accommodation up to 5 people). There is also a restaurant with fire place, two gardens and a wine cellar. We have a big sport terrain with tennis court, basketball court, soccer field, volleyball court and badminton.
